

Summer Internships

Location: Most positions are available with housing in Trego, WI. Housing may be available at St. Croix Falls, WI for some positions.

Qualifications: Applicants must be a U.S. Citizen and possess a valid state driver's license. Other required/desired skills depend on the position. See website for complete listings.

Hours per Week: Full-time summer (12 week) internships. Some positions may be part-time but last longer. Weekend and some evening work may be required for some positions.

Benefits: Living stipends of \$75 per week with paid housing. Round trip travel to and from the St. Croix NSR is available.

Expected Starting Date: May 2012
Dates may be flexible for some positions.

The Saint Croix National Scenic Riverway offers opportunities for Internships through the Student Conservation Association (SCA).

We are looking to hire the following positions for the coming summer:

Botany Intern:

Remove and control exotic plants, record exotic plant locations with GPS, & document field work.

Habitat Restoration Intern:

Assist biologist with invasive plant removal & mapping.

Aquatic Management Intern:

Assist biologists working with the endangered freshwater mussels recovery program & monitor invasive aquatic species. Water quality monitoring projects may be included in the work.

Camping Management Intern:

Monitor & collect data at primitive shoreline campsites & assist with campsite restoration activities.

How to Apply for Internships: All applicants must apply online by going to: www.thesca.org. Create a profile, browse detailed position descriptions, and apply for specific positions. Search internship positions often!

How to Apply for Non-STEP Seasonal and Permanent jobs:

Park Ranger and other position announcements can be viewed at: www.usajobs.gov. This website lists jobs for all federal agencies. Search for the National Park Service, under the Department of the Interior. St Croix Riverway positions are listed as they become available, so search often.

You can apply online by filling out a resume under the "Get Started" tab and "Create an Account". Once you have an online resume, you can use it to apply to most jobs, just make sure that you meet the qualifications.
