

Enjoy the River Safely

- Wear your life jacket. Make sure your child wears a life jacket!
- Use alcohol responsibly. Many river accidents involve alcohol.
- Wear sunscreen, sunglasses, and a hat to prevent sunburn. Water reflects the rays of the sun giving you a double dose of ultraviolet light.
- Avoid trees that have fallen in the river. They can catch and overturn your vessel.
- Don't jump from cliffs, bridges, or trees.
- Protect your feet with river shoes, water sandals, or old shoes. Fish hooks, glass, and rocks can injure your feet.
- Bring your own drinking water. Treat river water before drinking to avoid giardiasis, a serious stomach irritant.
- Blastomycosis is a fungal infection that is commonly contracted by dogs and sometimes by humans. Avoid digging in moist soils.
- Check for ticks often and know the symptoms of Lyme disease. Deer ticks are common along the Riverway and some carry the bacteria that cause the disease.
- Know how to identify poison ivy and avoid contact.

National Park Service St. Croix National Scenic Riverway

St. Croix River Map 6: Sand Creek Landing to Highway 70

smallmouth bass

Smallmouth bass like cool and clean water, with plenty of rocks and cover to hide in. That makes this stretch of river a perfect home for these fish!

The steepest drop in elevation anywhere on the St. Croix is found here, resulting in faster moving water. This allows the river to cut down into layers of bedrock, creating numerous riffles and small rapids. Mixed throughout are glacial gravel and boulders, islands which provide shade, and deep pools for smallmouth bass to hide in during hot weather.

If you fish the St. Croix River, please help maintain this perfect smallmouth home by using non-lead fishing tackle and practicing catch and release angling.

Discover clean water, lush landscapes, and quiet solitude along the St. Croix National Scenic Riverway, a national park that with your help protects 255 miles of wild and scenic river corridor.

Top Riverway Regulations

- Approved life jackets for each person are required on your vessel. Children under 13 are required to wear a life jacket.
- Please do not bring glass containers to the Riverway. Broken glass cuts bare feet.
- Disposing human waste into the river is prohibited.
- Jumping from cliffs, bridges, or trees is illegal and dangerous.
- Open campfires are allowed only in metal fire rings. Campfires must be out and cold before you leave the area.
- The cutting of live vegetation is strictly prohibited. Dead and down wood may be collected for campfires from shoreline areas, but not from islands.
- Possession of firewood that originates more than 10 miles from the Riverway is prohibited.
- Individual campsites accommodate a maximum of 8 people and 3 tents. Group sites accommodate a maximum of 16 people and 6 tents.
- Littering is not allowed. Carry out all trash.
- It is illegal to shoot or possess fireworks on lands and waters within the Riverway.
- Collecting freshwater mussels, mussel shells, wildflowers, and historical artifacts is prohibited.
- Quiet hours are 10:00 pm to 6:00 am.
