

Evaluation:

Thank you for using this curriculum in your classroom. In order for us to improve it, we would appreciate your completing this evaluation.

- 1) How did you learn about the curriculum?
- 2) Would you recommend it to other teachers? Why or why not?
- 3) What is your discipline? (What classes do you teach?)
- 4) What units or sections did you use? The entire curriculum? Which parts?
- 5) Did you collaborate with other teachers (disciplines) in presenting the material?
Yes___No___
If yes, with whom?
- 6) Was the guided background material "for the teacher" adequate?
If not, please explain.
- 7) Did the instruction integrate well into other designated curriculum skills? Explain.
- 8) How did the students respond to the material presented? Did it interest them?
