** Faculty Pianists: George Hemcher and Alla Bell*

CHILDREN'S EARTH ANTHEM

Charles Eversole (based on a poem by Louise Phillips)

Earth Children, voices strong by day and night;
Earth Children, our universal light.

Voices rising on the breeze
Or skipping off the water,
Dancing o'er the prairies...
Children running through the trees
And resting on the sands
Of oceans and desert lands.

Earth Children, voices strong by day and night;
Earth Children, at dawn our songs take flight!

Voices rushing down the rivers,
Through the canyons,
From the mountaintops.
We join our hearts and hands
To sing of living lands;
Lands of purity and splendor
And history and grandeur
And joy... and love!!

We are all Earth Children, voices strong by day and night;
And as all Earth's Children
We proclaim with glorious might
All the beauty in our sight,
Bathed in universal love and light!!

2016

National Park Service
CENTENNIAL

The National Park Service would like to thank our partner organizations for their longstanding support and generous contributions that have made this program possible, especially:

Oyster Bay Music Festival, designed for highly gifted Long Island music students ages 11-24 (including pianists, classical singers, woodwinds, and strings), Performance Intensive students, together with festival faculty and guest artists, present solo and chamber music repertoire in classical music concerts twice daily in informal and formal settings throughout the village of Oyster Bay, NY. <http://oysterbaymusicfestival.com>

Steinway & Sons for their generous donation of pianos to support the Oyster Bay Music Festival. <http://www.steinway.com/>

The Friends of Sagamore Hill, a chapter of the Theodore Roosevelt Association, organized to raise funds and provide assistance to Sagamore Hill National Historic Site. www.sagamore-hill.com

Eastern National, providing quality educational products and services to America's National Parks and public trusts. www.easternnational.org

Sagamore Hill National Historic Site, located at 20 Sagamore Hill Road, Oyster Bay, New York, is a unit of the National Park Service. The site was established by Congress in 1962 to preserve and interpret the structures, landscape, collections and other cultural resources associated with Theodore Roosevelt's home in Oyster Bay, New York, to ensure that future generations understand and appreciate the life and legacy of Theodore Roosevelt, his family and the significant events associated with him. For information, visit our website at www.nps.gov/sahi, or call 516-922-4788.
