BioBlitz 2014—San Juan Island NHP

ALL participants MUST register and sign volunteer release form

May 3 & 4

12 p.m. Saturday – 12 p.m. Sunday

Registration Deadline

midnight, Friday, April 25, 2014

What you'll want & need to know

BioBlitz 2014 will take place at the American Camp unit of San Juan Island National Historical Park (SAJH). Park maps and information are available at <http://www.nps.gov/sajh>.

Base Camp will be located in HS10 on the American Camp Parade Grounds. You will not be able to drive up to Base Camp unless you have been granted permission by the BioBlitz Planning Team and have made prior arrangements. A map of the parade grounds and parking areas will be emailed with your registration confirmation.

Each team leader will be equipped with a BioBlitz field pack including binoculars, reference materials, data sheets and clipboards. You are responsible for bringing your own field gear, personal reference materials, etc. SAJH has some reference materials & field equipment we can lend, contact us ASAP if you are in need.

Base Camp will provide electricity, extension cords, some lights, tables, and chairs. Hot beverages, water, and snacks will be available at Base Camp—remember to bring your travel mug and refillable water bottle. Restrooms will be available near Base Camp (porta-potties), at the visitor center, as well as at some trail heads.

Lastly, everyone must be affiliated with a team even if you don't have a particular expertise. Let us know about your interests and we will connect you with a team that needs help. If you are an expert in something not listed here, please let us know!
