

# Salem Maritime Bingo

## Explore the Historic Buildings

Hi Kids! This activity will test your eagle eyes!

On the back of this page is a bingo card. You need to visit the Orientation Center, the West India Goods Store, the Public Stores, and the Scale House. Keep your eyes peeled as you are walking around outside, too. As you find the items in the pictures, cross them off. When you finish a row, yell BINGO!

If you want more of a challenge, write down where you found the images. You may need a map of the site to find the names of the different buildings. You can get a map from a ranger or use the one below.
