## Public Scoping Announcement

### Conceptual Trail Policy Map Alternatives Ready for Public Input

National Park Service, California State Parks, and Santa Monica Mountains Conservancy invite your participation in public scoping for the forthcoming Santa Monica Mountains National Recreation Area Interagency Trail Management Plan (TMP).

The scoping will focus on conceptual trail policy map alternatives for the TMP's joint EIS/EIR (Environmental Impact Statement/ Environmental Impact Report). Information we gather from the public will be used to finalize the preferred, no action, and two other contrasting alternatives for the joint EIS/EIR.
