

Partner with parks

Two non-profit park partners can help you to help the parks, and *everyone* benefits:

Become a member of the Sequoia Natural History Association (SNHA) and get discounts in park book stores and on activities including seminars, the winter Pear Lake Ski Hut, and the summer tours in Crystal Cave. Join at any visitor center or go online at www.sequoiahistory.org.

Pear Lake Ski Hut, operated by the Sequoia Natural History Association, sits in a granite basin high above Lodgepole. At 9,200 feet elevation (2804m), it is surrounded by glistening snowfields, icy rock walls, and a deep blue sky. Six strenuous miles on skis or snowshoes get you to its ten bunk-beds and warm wood-pellet stove. It's a great opportunity to experience the winter glory of the High Sierra. Call 559-565-3759 (reservations are required) and check the website above for winter travel seminars with the SNHA.

The Sequoia Parks Foundation raises funds for projects that enhance these parks. Be part of their efforts!

Beetle Rock Center in the Giant Forest would not still exist without the help of the Foundation. They funded the remodel of the historic building into an education center. Together with the SNHA, they made use of this facility possible for us all.

The Foundation is also raising funds for trailwork and for the *Rangers in the Classroom* program. It has also started an initiative to explore these fabulous parks through art. Ask for information at a visitor center, or go to www.sequoiaparksfoundation.org to learn how you can help advance your interests in these parks.

Recent contributions have helped to improve and repair two very popular trails: Zumwalt Meadow and Tokopah Falls. We extended the boardwalk along Zumwalt Meadow, increasing accessibility.

Free Activities

WALKS & TALKS Free ranger-led talks, walks, or snowshoe walks may be offered at Giant Forest, Wuksachi, Grant Grove, and the Foothills. See pages 8 and 9 or check bulletin boards and visitor centers to see what is scheduled.
