TALKS

Critter Chat Ears, Eyes and Antlers

Be trained by a ranger to read the physical characteristics of a mule deer. Take this information with you and make your own discoveries when you see this fascinating creature.

Meet near the flagpole at the Foothills Visitor Center to learn more. 20 minutes.

Critter Chat This Abundant Life

Get to know some creatures that live in the most diverse ecosystem in California, the oak woodlands, and discover the oaks important role in this ecosystem.

Meet near the flagpole at the Foothills Visitor Center to learn more. 20 minutes.

Picnic with a Ranger: Growing Up Wild

Explore the Hospital Rock area with Ranger Alysia Schmidt. We'll have lunch at the picnic area and then take a walk, all while discovering different techniques animals use to raise their young.

Meet at the Hospital Rock picnic area at 12:00pm. Bring a picnic lunch, water, hat and comfortable shoes. 2 hours. 1 mile walk.

Evenings at Potwisha: Spring out of Hibernation

It's time for bears to wake up! Join former bear technician Dani Cessna to discover why bears hibernate and what they'll be up to now that spring is here. Potwisha Campground Campfire Circle. 7:00pm. 1 hour.
