TALKS

Critter Chat

Explore the lifestyles and quirky habits of one of our Foothills residents. Meet near the flagpole at the Foothills Visitor Center to learn more. 20 minutes.

River Rendezvous

Ever wonder what little creatures make their home in the beautiful Kaweah River? Join a ranger and discover their underwater world and why it's so important they're here. Follow the trail down to the river across the street from Potwisha Campground.

Investigation Station

What can an animal's teeth tell us? What's the difference between a falcon and hawk? Come investigate and discover one of the many stories the Foothills has to share. Drop in at the Foothills Visitor Center to learn more about life in the park.

WALKS

People, Places, & the Past

Discover Hospital Rock! Step back in time and learn more about the people who called this area home. Meet near the bear box in the Hospital Rock Picnic Area for this 30 minute walk.

Night Lights

Take a tour of the planets, gaze at the moon, meet the constellations, and celebrate the darkness at Sequoia National Park! Join Park Ranger Tim Lutterman to discover the magic of the night sky. The darkness will come alive through storytelling and a guided tour of the late summer sky. 1 hour. Meet in the Hospital Rock parking lot.

Evenings at Potwisha

Meet at the Potwisha Amphitheater. 1 hour.

Friday: If These Trees Could Talk...

Join a ranger for a journey into the past and learn about the history of Potwisha campground. From the campers of today, to the Civilian Conservation Corps, and the Native Americans of yesterday, come and learn about the people who slept under the same trees that you are sleeping under tonight.

Saturday: Bear Essentials

Intelligent and opportunistic, the American black bear may be found at a variety of elevations throughout Sequoia and Kings Canyon National Parks. Join Ranger Dani Cessna to learn more about the bears that make their home throughout the parks.

Jr. Ranger

Meet at the Potwisha Amphitheater. 1 hour.

Saturday: Mysteries of a Skull

Every animal's skull has a story to tell. In order to solve the mystery and read the skull's story, you need to be able to identify the clues left behind. Come unravel the mysteries and learn what that animal was like when it was alive.
