There will be up to 20-minute delays between lights/traffic flow. (Construction staff will be on duty to expedite traffic flow during parts of Nov. 26-28.)

Night Work - Sunday night-Wednesday morning (11/21 – 11/24)

The Generals Highway will be closed to traffic from 9:00 p.m.-6:00 a.m., with one opportunity to pass through the construction area at 11:30 p.m. each night. (Night work is expected to continue until further notice.)

Additional Information

The construction zone is a 1½-mile section of the Generals Highway in Sequoia National Park between the main park entrance on Hwy. 198 and Giant Forest. (It is located between Amphitheater Point and Deer Ridge.)

- Traffic will be restricted to a steep, narrow, and winding single lane at times.
- Drivers must follow a pilot/lead vehicle when work is in progress.
- Uphill-bound vehicles will be allowed to drive through the construction area first at the designated times listed in the schedule above.

The portion of the Generals Highway from Hospital Rock to the Giant Forest Museum is **currently closed to vehicles greater than 22 feet in length until December 31, 2010** due to Federal Highways road construction vehicle size limits. This regulation may be extended in the future.

Cedar Grove Bridge

NOTE: On November 15, the Cedar Grove Bridge construction project will end for the winter. It will resume operation in April 2011.
