

Education Program Pre-Visit/Post-Visit Assessment Score Sheet

The Pre-Visit/Post-Visit Assessment is an important tool used to help measure the program's effectiveness in meeting the learning objectives.

Instructions: Administer a **Pre-Visit Assessment** at the very beginning of the unit study. Record the results in the chart below. Continue the unit with the pre-visit activities, park field trip, and post-visit activities. At the conclusion of your unit, administer a **Post-Visit Assessment**. Record the results. Return the completed score sheet and Program Evaluation in the pre-addressed, stamped envelope.

Was there a specific question that gave students difficulty on the post-assessment?

If so, why do you think this happened?

Do you have any suggestions to improve the assessment?
