|---|--|
| Camping | Reservations may be made up to one year in advance online at www.recreation.gov or by calling 877-444-6777. You may inquire on a night-by-night basis at Loft Mountain Campground. All Dundo check-ins are at Loft Mountain Campground, mile 79.5. Check out or re-register by noon. Group camping fees are non-refundable and there are no discounts. Camping is limited to 30 consecutive nights per year. |
| Campsites | Campsites are equipped with picnic tables and fire pits. Generators are prohibited. Your group must have a minimum of seven people and a maximum of 20. Do not trench your tent or put nails in trees. All campsites have food storage bins. |
| Campfires | Fires are allowed only in pits. Do not build rock rings in the pit. Firewood must be gathered or purchased in the Park or if brought in, it must have a USDA-approved sticker. Gather only down and dead wood. Do not saw, cut, or break any standing trees, dead or alive. Do not leave fires or hot coals unattended. |
| Food Storage/Resource Protection | You must store food properly! This is bear country, and deer, raccoons, and skunks are year-round residents. Where provided, use the food storage boxes to prevent wildlife from obtaining food. Otherwise, keep all food, garbage, equipment used to prepare or store food, and all scented items in your locked vehicle when not in use. Improperly stored food may be collected for your safety and that of Shenandoah's wildlife. It is illegal to approach, feed, frighten, or disturb wildlife. Hunting is prohibited. All resources such as wildflowers, plants, animals, and artifacts are protected by law in national parks. |
| Pets | You are responsible for the behavior and control of your pet. Pets must be on a physical leash at all times. Please clean up after your pet and do not leave them unattended. There are a few trails that are not suitable for pets; please check the list in the visitor guide. Please do not take pets to Ranger Programs. |
| Sanitation | Wash dishes at your site; not at water spigots. Water spigots are for public use. Please do not attach hoses or leave water running. Dispose of trash and recyclables in the appropriate bins. |
| Facilities | Pay phones, a campstore with wood, ice, and groceries, and showers and laundry are 3.7 miles north at Loft Mountain Campground. These facilities are open May through October. |
| Vehicles | All roads in the campground are one-way and the speed limit is 10 mph. Keep all vehicles, including motorcycles, on paved or graveled areas. Bicycles are permitted on paved roads only. Skates, rollerblades, scooters, and skateboards are prohibited. |
| Recreation | Check the Ranger Programs schedule in the visitor guide for guided walks, talks, and evening programs. The closest visitor center is at mile 51 where there are exhibits, movies, maps, hiking information, and more. Horseshoes, fireworks, and drones are prohibited. |
| Emergencies | The nearest phone is 3.7 miles north at Loft Mountain. The emergency number is 1-800-732-0911. The nearest hospital is in Harrisonburg; drive 18 miles north, exit onto Rt. 33 and go 22 miles west. |
