(EXAMINING SURGEON'S VOUCHER.)

TO THE EXAMINING SURGEON.

The claimant named on the outside of this circular has been directed to report himself to you for examination within three months of the date hereof.

Should he present himself, please examine him and make your report to this Bureau at once, in accordance with the instructions of the pamphlet already transmitted to you.

---

(1) Two orders for examination are issued, one to the claimant and one to the examining surgeon, or board of examining surgeons. These orders should be carefully compared before an examination is made, as certificates of examination made upon orders issued to other boards or surgeons will not be accepted or paid for, except in cases in which this Bureau may direct such action by special instructions.

Any order received by a surgeon which is intended for another should be immediately remailed to this Bureau in a separate envelop, together with the envelop in which it was received.

(2) If the order to a surgeon fails to reach him, and the applicant presents himself with *his* order, the examination should be made; or, if the claimant presents himself without an order, and the surgeon has one in his possession authorizing the examination, it should be made.

(3) Orders for examination are generally valid for three months from the date of same. They should, however, be kept until the first meeting of the board following the expiration of the three months limit, when, if the claimant appears, he should be examined. Should he not appear at this session, the order should be indorsed, "*Claimant failed to appear within specified time*," dated, and returned to the Bureau.

(4) No examination made by a single member of a board will be accepted, unless such examination is made upon a special order from the Bureau. It is desired that all examinations be made by a full board; but if one member is absent, the examination may proceed if the claimant signs the proper waiver upon the back of the certificate, consenting to an examination by two members. (See forms on back of Medical Certificate.)

This Circular **must be returned to this Bureau with your certificate of examination,** accompanied by your daily account, or in the event of the person named in it failing to report within the specified time, return it indorsed as required by paragraph 3 of the instructions quoted above.

gallant Soldier he has no superior. Lt Col and

forth the warm expression of praise and admiration
from every Officer and Soldier of his Regiment in the

Sir. I have just received to Capt E. M. Simony to the care of Adjutant General (U.S.A.) a letter copy of which is herewith enclosed and also written to two other Officers of same Regt for certificates to be forwarded to you in the case of Wm. J. Carson 15th Regt U.S. Inft.y Please suspend decision until we can be put in to establish the facts as they are.

In addition to the evidences of distinguished bravery referred to in said letter to Capt Simony, I am credibly informed that Carson was spoken of at the time in a correspondence in the Cincinnati Commercial as hav-

distinguished himself by his brave and
valuable service at the battle of
Chickamauga. And now to be scan-
dalized as he has been by Capt.
Simons certificate on your files
is intolerable
