

Fire Danger Operating Plan (FDOP) and Fire Weather and Occurrence Analysis Document (FWOAD) Review Checklist

FDOP or FWOAD
Name:

FDOP or FWOAD
Original Preparation
Date:

FDOP or FWOAD Biennial Review Checklist:

You have completed a Quality Assurance (QA) review and any necessary Quality Control (QC) updates of the last two years' weather and fire occurrence observations.

You have adequate data to support supplemental plans.

FDOP and FWOADs are required to be fully updated every five years and QAQC completed at least every other year.

Past checklists may be examined during preparedness reviews, investigations, or assessments offices will ensure official copies are readily available and retained.

Signed: *Park/Zone* Fire Management Officer
