Theodore Roosevelt National Park offers 3 different education programs. Time allotted for each program includes travel to and from the park entrance. Please choose which program(s) you would like your students to experience:

- Cabin Tour – Theodore Roosevelt & Social Studies (30-45 mins)
- Prairie Dog Exploration – Ecology & Life Sciences (1 hr 30 mins)
- Guided Hike – Geology & Earth Sciences (2 hrs)

Please indicate if you are visiting the North or South Unit. Cabin tours are not available in the North Unit. Times and logistics will differ for North Unit programs.

Are you coordinating your trip with Medora's "Classroom in the Badlands" program?

- Yes No

Education groups are eligible for a fee waiver. You can find the fee waiver application on our website, here: <https://www.nps.gov/thro/planyourvisit/fee-waivers.htm>. Please submit fee waivers **three weeks** prior to your trip.

Staffing for education programs is limited. We will work with you to schedule a program. If we are unable to offer a ranger-led trip, we encourage you to lead your own trip. Resources are available at: www.nps.gov/thro/learn/education.

Please save your application in the format "SchoolName_TeacherName" and submit by email to: thro_interpretation@nps.gov.
