Louisiana Circle Confederate cannon here guarded the river approaches to the city and engaged Union gunboats during the siege.

South Fort Southern anchor of the Confederate defense lines around Vicksburg. It guarded the Warrenton Road (Washington Street) entrance to the city.

Navy Circle Southern anchor of the Union siege lines. Rifled cannon mounted here prevented Confederates from escaping the city via the Warrenton Road (now Washington Street).

Grant's Canal This site, located across the Mississippi River in Madison Parish, La., is where Federal troops attempted to cut a canal across the base of De Soto Point to enable gunboats and transports to bypass Confederate batteries at Vicksburg.
