# Seasonal Highlights

Keep this Guide with you to get the most out of your trip to Yosemite National Park

## WELCOME

You made it! You're here! The following information may help maximize your time in Yosemite. Be prepared to go wild!

### Ask A Ranger at the Visitor Center

All visitor centers in Yosemite National Park are staffed with knowledgeable rangers and volunteers, ready to help answer your questions, provide directions, and hand out maps and brochures. Visitor centers are located in Yosemite Valley, Big Oak Flat, Wawona and Tuolumne Meadows. See pages 5, 8, and 10 for hours and more details.

### Pop-up Information Centers

Look for pop-up blue booths throughout Yosemite, which are staffed with Yosemite Conservancy volunteers who are ready to answer your questions or give you directions. If you're interested in volunteering with the Yosemite Conservancy in the park, visit [yosemiteconservancy.org/volunteer](http://yosemiteconservancy.org/volunteer).

## ARTS & CULTURE

### Visit the Yosemite Museum

Learn the history of Yosemite Indians by exploring a museum collection that includes remarkable woven baskets and traditional dress. Tour the outdoor Indian Village or talk with an Indian cultural demonstrator. Shuttle stops #5 and #9.

### Ansel Adams Gallery Photography Classes

Looking to enhance your Yosemite photography skills in the footsteps of Ansel Adams? Join a photography expert from The Ansel Adams Gallery in a dynamic hands-on class, or basic camera walk while soaking up the surrounding beauty of Yosemite Valley. For details, visit <http://anseladams.com/ansel-adams-gallery-in-yosemite/activities/> or sign up at the Ansel Adams Gallery in Yosemite Village. Shuttle stops #5 and #9. See pages 5 and 6 for more information.

### Arts in the Park

Add some art and theater to your Yosemite itinerary! Join Yosemite Conservancy at Happy Isles Art and Nature Center (shuttle stop #16) for an outdoor workshop with a professional artist, or for children's art activities, or at the Yosemite Theater for an evening performance or film. See page 6 for upcoming workshops and shows.

## GUIDED OUTDOOR ADVENTURES

### Adventure with Yosemite Conservancy

Are you looking for a memorable way to deepen your connection with the park? Go on an expert-led adventure with Yosemite Conservancy! Join a scheduled Outdoor Adventure, such as a day hike, backpacking trip or bird-watching walk, or create a Custom Adventure tailored to your interests and schedule. For details, visit [yosemiteconservancy.org/adventures](http://yosemiteconservancy.org/adventures), or call (209) 379-2317 ext. 10. See pages 6 and 11 for upcoming adventures.

### Adventure Out with the Yosemite Mountaineering School (YMS)

Yosemite Mountaineering School provides outdoor adventures for people of all experience levels. We are here to help you learn how to enjoy Yosemite safely and responsibly. Give us a call to join one of our group classes or schedule a custom outing designed specifically for your group. We offer professional guides for hiking, backpacking and rock climbing. Reservations required. Call (209) 372-8344 or email [yms@aramark.com](mailto:yms@aramark.com)

## FAMILY FUN

### Stroll with a Ranger

Learn about the wonders of the park on a ranger-guided stroll. Programs are offered daily throughout the park on various topics including bears, waterfalls, and more. See pages 6, 7, 9, and 11 for details.

### Explore Like A Junior Ranger!

Become a Junior Ranger and learn how you can help protect your park. To become a Junior Ranger, purchase a self-guided booklet, attend a guided program, collect a bag of trash, then take your oath and earn your badge. Guided programs are listed on pages 6, 7, 9, and 11. See page 12 for details.

### Attend an Evening Program at Yosemite Conservation Heritage Center

The Sierra Club's Yosemite Conservation Heritage Center (formerly LeConte Memorial Lodge) is open Wednesday through Sunday, 10am to 4pm. Free evening programs are scheduled for Friday and Saturday at 8pm. Seating is available for 50 guests. The Center, located at shuttle stop #12, has a natural history library, a children's corner and library, and historical exhibits. Call (209) 372-4542 for details.

### Volunteer Drop-In Program

Want to give back to Yosemite? Come join the fun! The Volunteer Drop-In Program is a family-friendly activity where you can take an active role in protecting and preserving our natural resources. Whether it's your first time to the park or you are a returning visitor, come create new memories while removing invasive species, collecting native seeds, or picking up litter. The Drop-In Program will meet every Friday at 9:30am in front of the Yosemite Valley Visitor Center from May 31 to September 20. Projects will last 1-3 hours and volunteers must wear clothes that can get dirty, long pants, and closed-toe shoes. Sun protection, water, and snacks are recommended. Youth under 18 must be accompanied by parent or guardian. Questions? Email [yose\\_volunteers@nps.gov](mailto:yose_volunteers@nps.gov), or call (209) 379-1850.

## GETTING AROUND

### Take the Free Shuttle

Park your car and let the free shuttle take you to the most scenic points in the valley. You will help cut down on traffic congestion, and will be able to capture the best pictures. See schedules posted at shuttle stops.

## Access for People with Disabilities

Accessible parking, lodging, tours, and activities are available throughout the park.

For a complete list of accessible services, recreational opportunities, and exhibits, pick up an updated Yosemite Accessibility Guide which is available at park entrance stations, visitor centers, and online at [www.nps.gov/yose/planyourvisit/accessibility.htm](http://www.nps.gov/yose/planyourvisit/accessibility.htm), or call a park Accessibility Coordinator at (209) 379-1035 for more information.

Sign Language interpreting is available upon request. Contact Deaf Services at (209) 379-5250 (v/txt). Two weeks advance notice is requested.

Assistive Listening Devices are available upon advance request, inquire at a visitor center.

Audio tours are available for the Yosemite Valley Visitor Center. Refer to the Accessibility Guide, or contact an Accessibility Coordinator for more information.

Accessible parking spaces are available just west of the Yosemite Valley Visitor Center. To reach these, enter the Valley on Southside Drive. Turn left on Sentinel Drive. Turn left on Northside Drive, and follow the blue and white signs.

## Yosemite Travel Tips

The busy summer months have arrived! If you haven't already, you're likely to experience congestion, especially in Yosemite Valley. Be prepared for two- to three-hour delays, especially in afternoons and on weekends. Plan accordingly and use restrooms when available.

If you're visiting Yosemite Valley for the day, look for parking in three major parking lots: Yosemite Falls Parking Lot, Yosemite Village Parking Lot, and at Curry Village Parking. Free shuttle service to destinations throughout Yosemite Valley is available from each of these parking lots. If you have lodging or campground reservations, please park at your lodge or campsite.

Once you find a place to park, please leave your car parked. Using the free shuttles will help you avoid congestion and trouble finding another place to park. Parking fills to capacity throughout Yosemite by mid-morning. Don't forget where you parked your car, as there are multiple parking areas throughout the Valley. Driving or parking on vegetation is prohibited.

Do not use or block the "Bus and Authorized Vehicles" lane while driving in Yosemite Valley. The bus lane ensures emergency vehicles can respond to incidents when traffic is backed up and provides preference for mass transit.

## Yosemite Valley

**1** Yosemite Valley, open year-round, is world-famous for its impressive waterfalls, cliffs, and unusual rock formations. Get there via Highway 41/Wawona Road from Fresno, Highway 140/El Portal Road from Merced, Highway 120 west/Big Oak Flat Road from Manteca, and (during summer) via the Tioga Road/Highway 120 east from Lee Vining. Yosemite Valley is home to massive cliff faces like El Capitan and Half Dome, plunging waterfalls including the tallest in North America, and attractive meadows. While Yosemite Falls slows to a trickle by August, a moderate hike will bring you to impressive Vernal and Nevada Falls. Walk to Mirror Lake, where you will see reflections of Half Dome. Gaze up at El Capitan, a massive granite monolith that stands 3,593 feet from base to summit. Whether you explore the valley by foot, bike, car, or tour, you will behold scenery that will leave you breathless and eager to see what's around the next corner.

## Glacier Point

**2** Glacier Point, an overlook with a commanding view of Yosemite Valley, Half Dome, and Yosemite's high country, is located 30 miles (a one-hour drive) from Yosemite Valley or Wawona. To get there from either of these places, take the Wawona Road (Highway 41) to Chinquapin, then turn onto Glacier Point Road. At Glacier Point, a short, paved, and wheelchair-accessible trail takes you to an exhilarating—some might say unnerving—view 3,214 feet down to Yosemite Valley below. Single vehicles over 30 feet long and trailers, are not permitted beyond Sentinel Dome/Taft Point Trailhead.

## Wawona and Mariposa Grove

**3** The Mariposa Grove of Giant Sequoias is located 36 miles (1 ¼ hours) south of Yosemite Valley via the Wawona Road (Highway 41), two miles from the park's South Entrance. The nearby Pioneer Yosemite History Center in Wawona is a collection of historic buildings associated with people and events that shaped the national park idea in Yosemite. Enjoy a horse-drawn stage ride, watch blacksmiths at work, or hike one of the scenic trails. For more information, visit the Wawona Visitor Center at Hill's Studio, adjacent to the Wawona Hotel. This was once a painting studio for the 19th-century artist Thomas Hill.

## Tioga Road and Tuolumne Grove

**4** Tioga Road offers a 39-mile scenic drive past forests, meadows, lakes, and granite domes. It is usually open from late May or early June through November. The road's elevation ranges from 6,200 feet to nearly 10,000 feet. The White Wolf area, midway across the park, is the starting point for day hikes to Lukens Lake and Harden Lake. To see giant sequoias, park at the Tuolumne Grove parking area on the Tioga Road, and walk one steep mile down to the grove. Or park at Merced Grove trailhead on Big Oak Flat Road and walk 1.5 steep miles down to the grove. These groves are smaller than the more-famous Mariposa Grove, but are quieter and off-limits to vehicles. Remember, walking down is easier than walking back up.

## Tuolumne Meadows

**5** Tuolumne Meadows provides a glimpse of the High Sierra. The Wild and Scenic Tuolumne River winds through broad sub-alpine meadows surrounded by even higher granite domes and peaks. It is the jumping off place for countless hikes, whether you venture out for a day or a week. Stop at the Tuolumne Meadows Visitor Center for information about hiking to Cathedral Lakes, Elizabeth Lake, Lembert Dome, or along the Tuolumne River through Lyell Canyon. Take advantage of the Tuolumne Meadows Hikers' Bus from Yosemite Valley.

## Hetch Hetchy

**6** Hetch Hetchy Reservoir, a source of drinking water and hydroelectric power for the City of San Francisco, is home to spectacular scenery and the starting point for many wilderness trails. The area's low elevation makes it a good place to hike in autumn and winter. The Hetch Hetchy Reservoir is located 40 miles (1½ hour) from Yosemite Valley via the Big Oak Flat Road (Highway 120W) and the Evergreen Road. The Hetch Hetchy Road is open from 7am to 9pm through Labor Day. Wilderness permits and bear canisters are available at the entrance station from 7am to 5pm. Vehicles and/or trailers over 25 feet long, and RVs and other vehicles over 8 feet wide are not permitted on the narrow, winding Hetch Hetchy Road.

## The Incomparable Yosemite Valley

Yosemite Valley embraces one of the world's most outstanding concentrations of waterfalls, granite walls, meadows, wildflowers, and trees. The Valley also harbors a rich collection of human stories, from American Indian lore to the birth of the national park movement.

## Yosemite Valley

An unlimited array of possibilities await you in Yosemite Valley. Let your senses run wild as you learn about the scenery that surrounds you. See pages 5, 6, and 7 for information about programs and services.

### Naturalist Programs

Naturalists give walks and talks about Yosemite's natural and cultural history, every day. See pages 6 and 7 for scheduled walks, talks, and evening programs.

### Walking and Hiking

From easy walks to Lower Yosemite Fall, Cook's Meadow, and Mirror Lake to strenuous hikes to the top of Yosemite Falls or Nevada Fall, Yosemite Valley has a wide range of walking and hiking possibilities. See page 17 for a list of hikes.

### Tours

Tours listed below depart from Yosemite Valley Lodge and are weather dependent.

The **Valley Floor Tour** is a 26-mile, two-hour tram tour narrated by a park ranger. Ask about Moonlight Tours, Starry Skies at Glacier Point Tours, and the Tuolumne Meadows Tour and Hiker's Bus.

The **Glacier Point Tour** is offered daily. One-way tickets are available for those who want to hike into Yosemite Valley from Glacier Point.

The 8-hour **Grand Tour** combines Yosemite Valley, Glacier Point and Mariposa Grove of Giant Sequoias into one memorable tour. Departs daily.

For more information on departure times or to make reservations, call (209) 372-1240 or inquire at any of the Tour and Activity Desks at Yosemite Valley Lodge, Yosemite Village, or Curry Village.

### Rafting

Rafting is a great way to see Yosemite Valley. Rent rafts at Curry Village from 10am to 4pm, *conditions permitting*. Last raft in by 6pm. If you bring your own raft, see page 15 for regulations.

### Bicycling

Experience Yosemite Valley on a bicycle. There are several miles of bicycle paths that wind through Yosemite Valley. Use your own bicycle or rent one from Yosemite Valley Lodge or Curry Village, open 8am to 7pm, *weather permitting*. Bicycles are only allowed on paved roads and paved bicycle paths.

### Sightseeing

Some famous, awe-inspiring landmarks that Yosemite Valley is known for include:

- **Yosemite Falls** gives the Valley an extra touch of life when flowing with spring runoff. Walk to its base or take the strenuous trail to the top, see pg. 17.

- **Half Dome**, Yosemite's most distinctive monument, dominates most views in Yosemite Valley. Forces of uplift, erosion from rivers and glaciers, and rockfall all shaped this famous feature. Cook's Meadow, Sentinel Bridge, Tunnel View, and Glacier Point, are a few locations that have stunning views of Half Dome.
- **El Capitan**, a massive granite monolith, stands 3,593 feet from base to summit. From spring to fall, climbers come from all over the globe to scale El Capitan. See if you can spot climbers on El Capitan through your binoculars and discover the thrill of the vertical wilderness on Yosemite's big walls.
- **Happy Isles** is a place to see dramatic natural processes at work. It is easily reached by shuttle at stop #16. Cross the footbridges onto the isles, wander through indoor and outdoor exhibits detailing Yosemite's geologic story, or connect with nature through daily art workshops and activities.
- **Tunnel View**, along Wawona Road (Hwy 41) showcases the immensity of the granite walls that surround Yosemite Valley, providing a classic view of El Capitan, Half Dome, Sentinel Rock, Cathedral Rocks, and Bridalveil Fall. It is spectacular at sunset or after the clearing of a storm.

Hours listed are core hours for facilities and may be extended during periods of peak visitation. Check local postings for changes to hours of operation.

# Yosemite Valley

## Where to go and what to do

### Yosemite Valley Visitor Center and Bookstore

Yosemite Valley Visitor Center and Yosemite Conservancy Bookstore are open from 9am to 5pm. The facility offers information, maps, and books, and is located near shuttle stops #5/#9. Explore exhibits and learn about Yosemite's landscape.

### Yosemite Films

Two films are shown daily, every half hour starting at 9:30am, except on Sundays, when the first show is at noon. The last film is at 4:30pm. Ken Burns' *Yosemite: A Gathering of Spirit* plays on the hour and *The Spirit of Yosemite* plays on the half-hour, in the Theater behind the Yosemite Valley Visitor Center.

### Yosemite Museum

Located in Yosemite Village next to the visitor center. The museum is open daily from 9am to 5pm, *may close for lunch*. The Yosemite Museum Gallery is open daily from 10am to 4pm.

### Gallery Exhibit:

*"Yosemite Lenscape: From Inspiration to Obsession"*

160 years after the first picture was taken in Yosemite Valley, photography has done so much to shape the human experience of Yosemite National Park. This exhibit presents four frames for thinking about how photography has left a lasting impact on one of America's favorite parks: how early photographers shaped the park's origin, how researchers use modern-day imagery to make new discoveries, how social media is changing the way we interact with the natural world, and how you the visitor celebrate and share your Yosemite experiences. After you visit the gallery, join in the conversation by posting your pictures with the hashtag #YosemiteLandscape.

### Indian Cultural Exhibit

Open daily from 9am to 5pm. Explore the living cultural history of Yosemite's native people. See Indian cultural exhibits and daily demonstrations of stone tool making, basket weaving, flutes, and more. Follow a self-guided accessible trail through an active re-constructed Miwok Village behind the museum to learn about the significant plants and structures.

### Yosemite Museum Store

Open daily, 9am to 5pm, *may close for lunch*. Find traditional American Indian arts, crafts, jewelry, and books.

### Wilderness Center

Open daily from 8am to 5pm. Visit the wilderness center to learn about wilderness safety, plan trips, obtain wilderness permits and maps, and rent

*Gates of the Valley, by Alan Ross*

bear canisters. The Yosemite Valley Wilderness Center is located in Yosemite Village, near shuttle stops #5 and #9.

### Happy Isles Art and Nature Center

Open 9am to 4pm, *may close for lunch*. Designed for nature-lovers of all ages, the center offers workshops with professional artists, creative classes for kids, natural history exhibits, and more. Located a short walk from shuttle stop #16.

### Yosemite Conservation Heritage Center

The Sierra Club's Yosemite Conservation Heritage Center (formerly LeConte Memorial Lodge) is open Wednesday through Sunday from 10am to 4pm. Free evening programs are scheduled for Friday and Saturday evenings at 8pm. Seating is available for 50 guests. The Center, located at shuttle stop #12, has a natural history library, a children's corner and library, and historical exhibits. Call (209) 372-4542 for program details.

### The Ansel Adams Gallery

Located in Yosemite Village next to the Yosemite Valley Visitor Center, the gallery is open daily from 9am to 6pm. The Gallery offers the works of Ansel Adams, contemporary photographers, and other artists. See page 6 for photo walk times and page 7 for hands-on photography classes. For more details, call (209) 372-4413, or visit [www.anseladams.com](http://www.anseladams.com).

### Exhibit:

*Yosemite at Night* - Photographs by Michael Frye and Kirk Keeler  
**June 30, 2019 - August 17, 2019**

In Yosemite, the hustle and bustle of activity pervades the day. But at night, this all changes and the park becomes unfettered.

Here, bears forage for grubs. The coyotes howl in Tenaya Canyon. Mountain Lions traipse through talus. And while others turn in, artists like Michael Frye and Kirk Keeler work patiently photographing the moon and the stars.

Michael Frye has been famously photographing Yosemite for the last 35 years, frequently the beneficiary of a well honed instinct and a thorough knowledge of Yosemite's unique geography. Kirk Keeler has likewise found his home in the Sierra now ten years on, putting aside his former life as a musician following the encouragement of Mr. Frye to pursue photography. Where their shared experience finds a potent intrigue is in their continued dedication to exploring Yosemite by the hidden light of the night.

*Yosemite at Night: Photographs by Michael Frye and Kirk Keeler*, will exhibit works of stellar and astrophotography made by these two local artists of their great backyard over the course of their combined 45 years in park. On Wednesday, July 24 from 3pm to 5pm, the gallery will host a reception for the artists who will be in attendance. We hope you can come visit and see the DARK side of Yosemite.

### New Exhibit:

*The Color of Black and White* - Original Photographs by Alan Ross

**August 18, 2019 - October 13, 2019**

For the photographer, the art (or skill) of seeing the finished print in the mind's eye is not to be taken lightly. It is a trait of true dedication – a sixth sense. Ansel Adams was a proponent of the task, and something he developed right here in the heart of Yosemite National Park around 1927. Today, Alan Ross continues this tradition of visualization. Alan has said:

"People often ask me if I actually "see" in black-and-white when I'm photographing. And the truth of it is, I do. For me, once the limitations or expectations of reality are eliminated, shapes, textures, relationships and nuance that might otherwise be missed come into view, and the image takes on a life of its own. Black-and-white, by its very nature, is an abstraction of reality and therefore tremendously liberating. With the "colors," or tones, of black-and-white, I am free to skew the emphasis of the elements in the scene. . . a green leafy plant in front of a red sandstone wall can either be the hero of the scene, or recede against the wall, depending on what I want viewers to see. I can see the reality of color in my own way. These "colors" between true black and harsh white are also what give me a visually rich, elegant and expressive silver image."

*The Color of Black and White* – Original Photographs by Alan Ross will be on display at The Ansel Adams Gallery beginning August 18. A closing reception will be held on Saturday, October 12 with the artist in attendance. Come on by and witness Alan's skewed views and 'colorful' visualization of The West.

## Yosemite Conservancy Outdoor Adventures (YC)

Experience the park in a new way with Yosemite Conservancy's naturalist guides! Upcoming outings include:

- July 27 *Overnight Under the Milky Way*
- Aug 3 *Overnight Under the Milky Way*
- Aug 23 – 25 *Backpack to Half Dome: One-Night Summit Express*

Visit [yosemiteconservancy.org/adventures](http://yosemiteconservancy.org/adventures) or call (209) 379-2317 ext. 10 to learn more, see other upcoming adventures and sign up. Custom Adventures can be arranged for individuals and groups. Proceeds from all our programs help preserve and protect Yosemite. See page 10 for adventures starting from Tuolumne Meadows.

## Yosemite Theater (YC)

Yosemite Conservancy's theater program offers entertainment and inspiration through live performances, educational presentations and beautiful films. All shows start at 7pm at the Yosemite Theater, shuttle bus stops #5 & #9. Get your tickets (\$10 per person, free tickets for children under age 12) online at [yosemiteconservancy.org/yosemite-theater](http://yosemiteconservancy.org/yosemite-theater), at Yosemite Conservancy bookstores or Yosemite Hospitality tour desks, or at the theater before show time.

*Songs and Stories of Our National Parks* (Select dates, see page 7.) Join special guest performers Gary Bremen and Grant Livingston as they celebrate a history of the national parks through tales and tunes.

*Yosemite Through the Eyes of a Buffalo Soldier* (Select dates, see page 7.) Ranger Shelton Johnson portrays a Buffalo Soldier in Yosemite in the early 1900s.

*A Room of Rascals: School in Yosemite's Stagecoach Days* (Select dates, see page 7.) Storyteller Brian Shoor spins a tale of antics and adventures set in the late 1880s.

*Yosemite Search and Rescue* (Tuesdays) Hear stories about emergency response missions in the park from John Dill, a Search and Rescue ranger.

*Conversation with a Tramp: An Evening with John Muir* (Wednesdays) Actor Lee Stetson brings John Muir to life as the legendary naturalist learns about the future of his beloved Hetch Hetchy Valley in the early 20th century.

*John Muir's Wild Mountain Adventures* (Thursdays) Ask John Muir! Engage with celebrated actor and historian Lee Stetson on his thrilling journeys in the western wilderness.

*Return to Balance: A Climber's Journey* (Fridays & Saturdays) Join rock-climber Ron Kauk for a film and conversation celebrating Yosemite's vertical world.

## Yosemite Conservancy Art Programs (YC)

Join Yosemite Conservancy for a range of activities at Happy Isles Art and Nature Center. Learn from a professional artist, stop by for family-friendly crafts and activities, browse supplies and original artwork, and more. The center is open daily, 9am to 4pm.

Daily art classes for ages 12 and up are taught by volunteer instructors Monday-Saturday, 10am-2pm (unless otherwise noted), and are typically held outside in Yosemite Valley. Most workshops are \$20 per person, per class (materials and supplies not included). Upcoming classes include:

- July 22 – 27 *Drawing with Charcoal with Jeff Hemming*
- July 29 – Aug 3 *Drawing Yosemite with Ink with Maggie Warner*
- Aug 5 – 17 *Field Sketching with Watercolor with Danielle Jollette*
- Aug 19 – 31 *Exploring Yosemite in Watercolor with Rachel Fisher*

We also offer a drop-in Open Studio (daily, 11am-3pm) and children's art classes (ages 4-12, \$10/participant or \$30/family, see listings on pages 6-7). To learn more and register for any of our art programs, visit [yosemiteconservancy.org/art](http://yosemiteconservancy.org/art), contact us at (209) 372-0631 or [artcenter@yosemiteconservancy.org](mailto:artcenter@yosemiteconservancy.org), or visit us at Happy Isles!

## Explore History, Discover Giant Trees, and Find Amazing Vistas

These park areas offer endless opportunities for amazing experiences.

### Wawona

#### Wawona Visitor Center at Hill's Studio

Open daily from 8:30am to 5pm. The visitor center offers information about park activities, books, wilderness permits, trail information, bear canister rentals, and maps. Located on the grounds of the Wawona Hotel, Hill's Studio was the gallery and art studio of famous 19th-century landscape painter, Thomas Hill. Walk from the lodge or park at the Wawona Store parking area and follow the path up the hill.

#### Evening Program

Join pianist/singer Tom Bopp in the Wawona Hotel lobby from 5:30pm to 9:30pm, Tuesday through Saturday, for music and stories from Yosemite's past. If you ask him, Tom might perform one of three one-hour picture shows: *Yosemite Music*, *Roosevelt & Muir 1903*, or *Wawona History*.

### Pioneer Yosemite History Center

Go back to a time of horse-drawn wagons, a covered bridge, and log cabins. A visit to the Pioneer Yosemite History Center explores Yosemite's history and explains how Yosemite was the inspiration for national parks across America and around the world. The center is always open and has interpretive signs available.

#### Experience Horse-Drawn Travel

Travel into history by taking a 10-minute horse-drawn stage ride. Purchase tickets at the Stage Office in the Pioneer Yosemite History Center. See page 9 for schedule. Five dollars for adults and \$4 for children ages 3 to 12-years old.

#### Blacksmith Shop

Smell the burning coal, hear the ring of the hammer on the anvil, and watch a demonstration of the ancient art of blacksmithing. See page 9 for schedule.

### Mariposa Grove

Located near Yosemite's South Entrance, the Mariposa Grove of Giant Sequoias is the park's largest stand of giant sequoias, with about 500 trees in the grove. Allow 1½ hours driving time to reach the grove from the Valley. Trails into the grove extend uphill from the trailhead at the Mariposa Grove Arrival Area. Interpretive signs between the trailhead and the California Tree provide a self-guiding tour.

#### Nature Walk In The Mariposa Grove

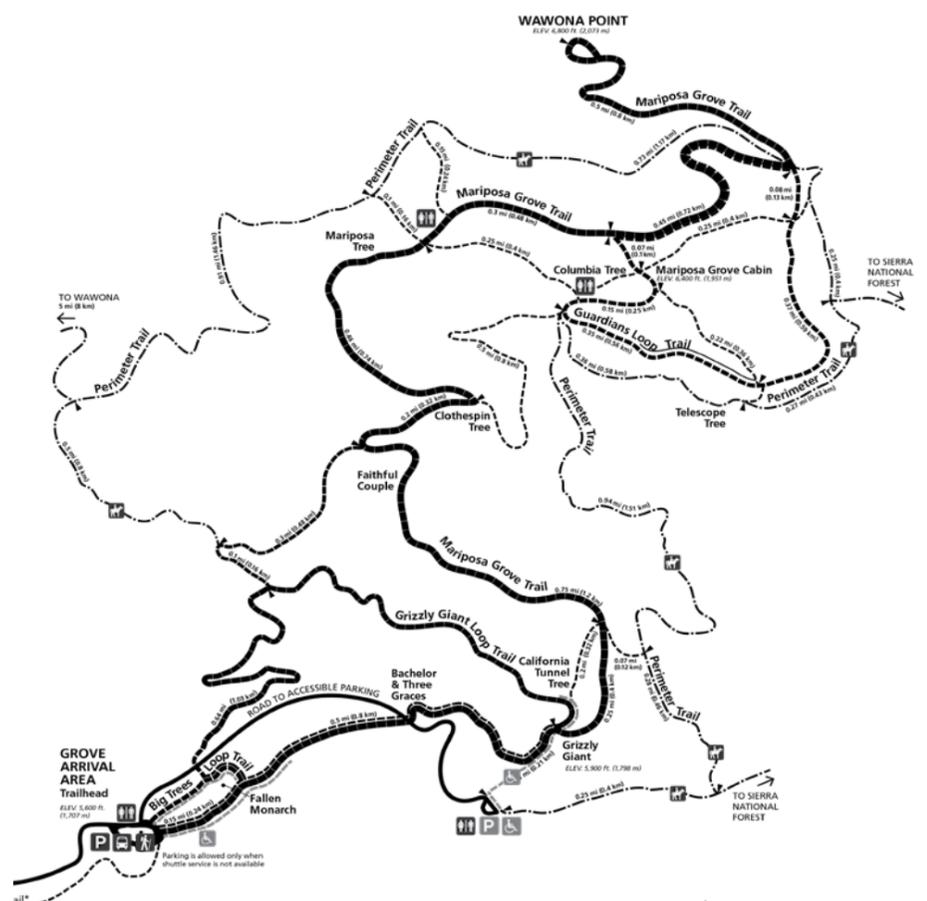

Surround yourself by some of the rarest and most remarkable living things on the planet, giant sequoias! Take a walk through the Mariposa Grove of Giant Sequoias with an interpretive ranger and get all your sequoia questions answered. This 1.5 hour program is offered daily at 10am and 2pm (Except July 24). See page 9 for more programs information.

#### Free Shuttle to the Mariposa Grove

A free shuttle provides service from the Mariposa Grove Welcome Plaza, to the Mariposa Grove, from 8am to 8pm, departing every 10 minutes. Private vehicles may only enter the Mariposa Grove when the shuttle bus is not

operating. Only vehicles displaying an accessibility placard are permitted to drive into the Mariposa Grove at any time. There is no shuttle service between Wawona and the Mariposa Grove, for the general public. Pets are not allowed on trails in the Grove.

# Tuolumne Meadows, Crane Flat, and Hetch Hetchy

## Tuolumne Meadows

- Thank you for staying on official trails to protect fragile meadow ecosystems.
- Dogs, bicycles, and strollers are only allowed on roads open to vehicles.
- Day-hikers and backpackers must go to the bathroom 100 feet away from water, trail, and camp areas; bury human waste six inches deep; pack out all toilet paper and trash.

**Tuolumne Meadows Visitor Center**  
Get park orientation, trail information, books, maps, programs and displays.

### Tuolumne Meadows Wilderness Center

Open daily from 8am to 5pm. Visit the wilderness center to learn about wilderness safety, plan trips, obtain wilderness permits and maps, and rent bear canisters. The Tuolumne Meadows Wilderness Center is located south of Tioga Road, along the road to Tuolumne Meadows Lodge.

### Parsons Memorial Lodge, McCauley Cabin, and Soda Springs

Two trails, both flat and 3/4-mile long, lead to this historic area accessible only by walking. Parsons Memorial Lodge will be open from 10am to 4pm. The Soda Springs are small, naturally-carbonated springs that attract birds and deer. Please stay on the trail to protect this unique place.

### Ranger Walks

Join a FREE ranger program to explore new areas and learn about geology, wildlife, history, wildflowers, the Tuolumne Meadows area and more. Most are easy walks. Check the schedule for all-day hikes

with a ranger to wild and beautiful places for a deeply memorable adventure.

### Just For Kids

Ranger-led programs for children include Junior Rangers, Little Cubs, and a Campfire for Kids. Check for special programs posted weekly. See page 11 for details.

### Evening Activities

Come to a traditional, ranger-led campfire to experience stories, songs, and insight into Yosemite. Program topics vary and are posted at the campground, Tuolumne Meadows Lodge and Tuolumne Meadows Visitor Center. End your day with a star-gazing program, see page 11 for details.

### Parsons Memorial Lodge Summer Series

Allow 30 minutes walking time to Parsons Memorial Lodge from Lembert Dome parking area or Tuolumne Meadows Visitor Center. Admission is free.

**Big Oak Flat Information Station**  
Open daily from 8am to 5pm. The information station offers information about park activities, books, wilderness permits, trail information, bear canister rentals and maps. The center is located just inside the park entrance on Hwy 120W.

## Tuolumne Grove

The trailhead for the Tuolumne Grove, which consists of approximately 25 sequoias, is near the intersection of the Big Oak Flat and Tioga Roads at Crane Flat. The former route of the Big Oak Flat Road leads downhill from the parking area into the grove. The trail drops 500 feet (150 meters) in one mile. The trip is moderately strenuous on the uphill portion. Within the Tuolumne Grove there is an easy, half-mile nature trail. There is no potable water available. Bring drinking water with you.

## Merced Grove

Yosemite's quietest stand of sequoias is the Merced Grove, a group of approximately 20 big trees, accessible only on foot. It's a three-mile round-trip hike (about three hours) into the grove. The trail drops down 1.5 miles making this a moderately strenuous hike on the uphill portion. There is no potable water so bring drinking water with you. The grove is located 3.5 miles north of Crane Flat and 4.5 miles south of the Big Oak Flat Entrance along the Big Oak Flat Road (Highway 120 West). The trail is marked by a sign and a post labeled B-10.

Hours listed are core hours for facilities and may be extended during periods of peak visitation. Check local postings for changes to hours of operation.

## Explore, Learn, and Protect!

Junior Rangers at Yosemite National Park take an oath to protect parks, continue to learn about the natural and cultural history at other parks, and vow to share their own ranger story with friends and family.

## Here Is How YOU Can Become A Junior Ranger!

Every year, hundreds of thousands of youth are sworn in as Junior Rangers in National Parks across the country! At Yosemite alone more than 20,000 youth participate in the Yosemite Junior Ranger Program, earning themselves an official Junior Ranger patch and badge! You could become Yosemite's newest Junior Ranger today by completing the following steps:

- Purchase your **Junior Ranger or Little Cub Hand Book** at any of the Yosemite Conservancy Bookstores located in park Visitor Centers, or at the Village Store
- Complete the pages in your Junior Ranger Booklet
- Pick up trash.
- Attend a Guided Program.
- Return your completed book and a bag of trash to the staff at a Visitor Center, or the Happy Isles Art and Nature Center, or attend a Junior Ranger Swear-in Ceremony.
- Take your official Junior Ranger Pledge.
- Earn your official Junior Ranger Badge along with a Junior Ranger Patch or a Little Cub Button.

# Bears and Wildlife

Enjoying wildlife safely and responsibly

## Keep Wildlife Wild!

Black bears, coyote, deer, and grey squirrels are just a few of the many animal species in the park that are active year round. Learn how to help protect Yosemite's wildlife.

### Store Your Food Properly.

4,000 to 20,000 calories worth of grasses, berries, acorns, and grubs—that's the typical daily diet of most bears. It's a lot easier for a bear to eat the thousands of calories of food in an ice chest than it is to spend all day nibbling at grasses. Their incredible sense of smell allows them to detect things we can't, which helps them find food—a black bear can smell a dead deer three miles away. To top it off, bears have excellent vision and can see in color, so they recognize ice chests, grocery bags, and other food containers as potential food sources.

### If you see a bear, scare it away or keep your distance.

You may not see a bear during your visit because they naturally avoid people. However, if you see one in a developed area (like a campground or parking lot), act immediately to scare it away: Make noise and yell as loud as possible. If there is more than one person, stand together to present a more intimidating figure, but do not surround the bear.

If you see a bear anywhere else, consider yourself lucky—but keep your distance (at least 50 yards, or about the distance made by four shuttle buses parked end to end). If you get too close, you will be helping the bear become used to being around people.

Bears that become comfortable around humans lose their natural fear of us and may become too aggressive. When that happens, they sometimes have to be killed.

### Drive the speed limit.

The most common human-related cause of death for a black bear in Yosemite is being hit by a car. Slow down! Driving too fast is almost always the cause of these accidental deaths.

### Red Bear, Dead Bear

Did you notice the red bear markers as you drove through the park? Each of them mark a place where a bear was recently hit. Every year bears, hundreds of deer, and countless other animals are killed while trying to cross park roads. Many of these deaths could have been avoided if drivers observed posted speed limits.

Please remember that Yosemite National Park is a wildlife preserve: by driving the speed limit you are helping to protect the park and its wildlife.

### Backpackers:

#### Save Your Food, Save A Bear

Bear resistant food canisters are 2.7-pound containers that can be used to store five or more days of backpacker food when meals are carefully planned. Canisters have an inset lid that bears are unable to

open. When used correctly, bears learn that—although they smell like food—the canisters are not worth investigating.

### Report Bear Sightings!

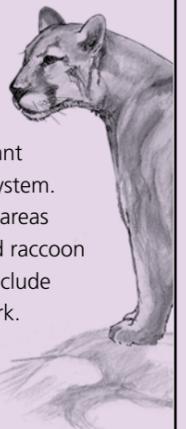

To report bear sightings, improper food storage, trash problems, and other bear-related problems, leave a message for the Bear Management Team at (209) 372-0322. Your call can be made anonymously. For more information regarding bears and proper food storage, visit the park's website ([go.nps.gov/bears](http://go.nps.gov/bears)).

### Coyotes

Watching a coyote hunting for mice in one of Yosemite's many meadows can be an amazing wildlife experience. Coyotes are opportunistic carnivores that primarily prey on small mammals. Like bears, their diets change throughout the year with food availability.

Unfortunately, coyotes sometimes change their natural behavior to try to obtain human food. Approaching, and/or feeding coyotes can cause them to lose their natural fear of humans. Please do not stop to feed coyotes that you see along the sides of the roads. This encourages them to frequent roadsides to beg for food, endangering both coyotes and drivers.

## MOUNTAIN LIONS

Mountain lions are a normal and important part of the park ecosystem. They are attracted to areas with healthy deer and raccoon populations, which include many areas of the park. Although lion attacks on humans are extremely rare, they are possible, just as is injury from any wild animal.

### For your safety:

Do not leave pets or pet food outside and unattended. Pets can attract mountain lions.

Avoid hiking alone. Watch children closely and never let them run ahead or lag behind on the trail. Teach children what to do if they see a lion.

### What should you do if you meet a mountain lion?

Never approach one, especially if it is with kittens. Most lions will avoid confrontation. Always give them a way to escape.

Don't run. Stay calm. Hold your ground, or back away slowly. Face the lion and stand upright. Do all you can to appear larger. Raise your arms. If you have small children with you, pick them up.

If the lion behaves aggressively, wave your arms, shout, and throw objects at it. The goal is to convince it that you may be dangerous. If attacked, fight back!

Mountain lions are magnificent creatures and native to Yosemite. Generally, they are calm, quiet, and elusive. Sightings are rare, so if you spot one, consider yourself privileged!

## How to Store Food

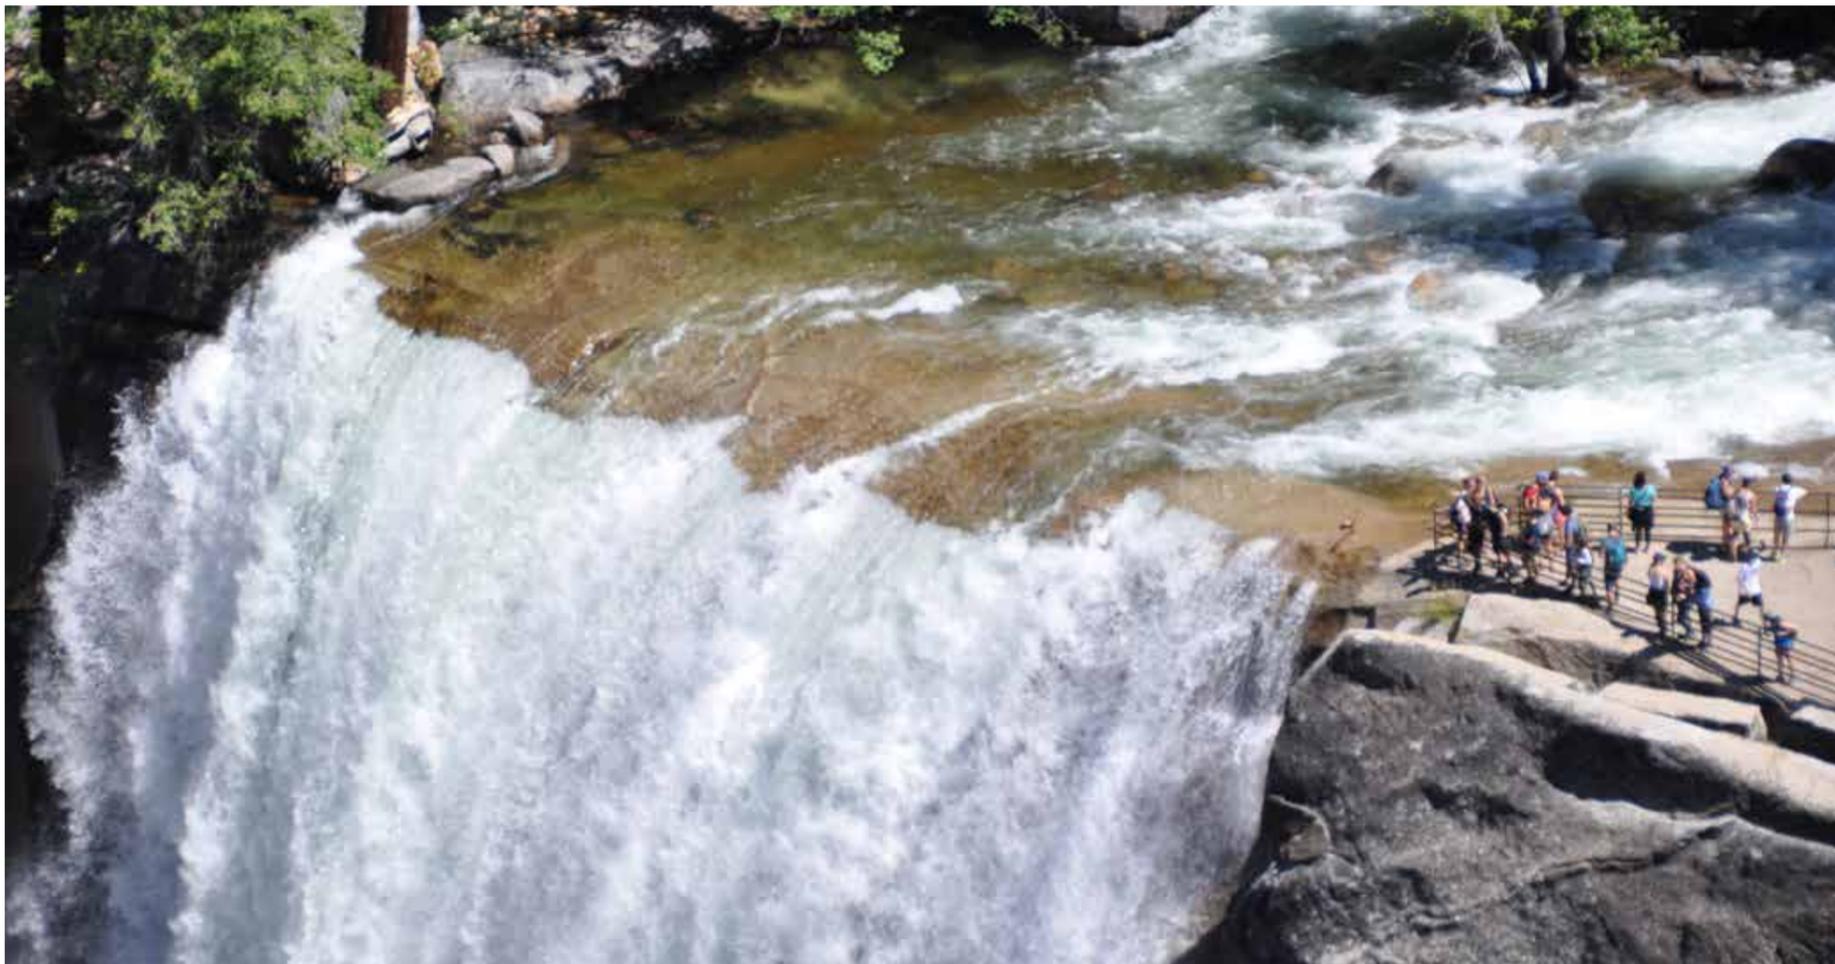

"Food" includes any item with a scent, regardless of packaging. This may include items that you do not consider food, such as canned goods, bottles, drinks, soap, cosmetics, toiletries, trash, ice chests (even when empty), and unwashed items used for preparing or eating meals.

LOCATION	FOOD STORAGE	WHY?
<b>Your Vehicle</b>	You may store food in your car (with windows closed) only during daylight hours. Do not store food in your car after dark: use a food locker. Remember to clear your car of food wrappers, baby wipes, and crumbs in baby seats. Never leave unattended food strapped to the outside of a vehicle or in a pickup truck bed.	Bears can smell food, even if it's sealed in the trunk or glove compartment, and they recognize boxes and bags as potential food sources. They can easily and quickly break into all kinds of vehicles!
<b>Your Campsite or Tent Cabin</b>	You must store all your food in food lockers—not in your tent or tent cabin. A food locker is available at each campsite and tent cabin. Food may be stored out of sight in hard-sided RVs with windows closed.	Bears may enter campsites when people are present, and some will even check food lockers to see if they're secured. Keep food lockers closed and latched at all times, even when you are in your campsite or tent cabin.
<b>Picnic Areas &amp; on the Trails</b>	Do not leave food unattended. Always keep food within arm's reach. Don't turn your back to your food.	Bears may investigate picnic areas or backpacks for food even when people are present, so be alert.
<b>Backpacking in the Wilderness</b>	Bear resistant food containers are required throughout the Yosemite Wilderness. Hanging food is prohibited in Yosemite.	In Yosemite and the southern Sierra, bear canisters are the only effective and proven method of preventing bears from getting human food.

# Protect Yourself...

Make safety a priority during your visit to Yosemite

## Enjoying Yosemite

Summer is a popular time to visit Yosemite, and for good reasons; daylight hours are long and the weather is usually warm. Plant and animal life are vibrant. High country trails that have been hiding for months are now waiting to be hiked and the waterfalls are still full. However, summer conditions present unique challenges which you must consider to ensure your outdoor enjoyment.

## Weather

Dehydration and exhaustion can occur during any season but we are particularly vulnerable during the summer heat. Always carry more water than you need. Without rationing water, make sure your hike or outdoor activity is half over before your water is half gone. Prevent dehydration by sipping lots of water throughout the day and frequently eating salty, easy-to-digest snacks. Thunderstorm season is here. Remember, there is no safe place outside when you can hear thunder. Follow the saying, "when thunder roars, go indoors." If you cannot reach a building or car (with a hard top), hike down and away from ridges and outcroppings. Do not be the tallest object or near a tall object.

## Rivers and Stream

Yosemite's streams are a huge temptation for the curious, the photographer, and the overheated and weary hiker simply wanting to cool tired feet. Do not be fooled! Yosemite's water is deceptively dangerous and unforgiving. Visitors are strongly urged to enjoy moving or falling water from a safe distance. Please: Do NOT leave the safety of the trail.

## Boating / Floating

Before boating or floating, check the Park's website at [www.nps.gov/yose/planyourvisit/water.htm](http://www.nps.gov/yose/planyourvisit/water.htm) for allowable locations and conditions. We urge you to wear a Coast Guard approved personal flotation device (PFD). Mishaps occur suddenly, you may not have time to put on your PFD. Make sure your watercraft is safe for water conditions.

## Yosemite's Trails

Yosemite's 800 miles of trails pass through natural areas and endure all the forces of nature including flooding, fire, erosion, and slides. Trails may be damaged from weather and past fires. Snow can be present over higher elevation trails. Always carry a good topo map and compass (GPS optional) and know your location, including your back route, in case you need to turn around.

## Yosemite's Roads

Yosemite's roads are as dangerous as the roads near your home, with additional hazards such as rock fall and abundant wildlife, including deer and bear. There are many sites to distract drivers. If you cannot devote 100% of your attention to your driving, please pull off the road into a designated pull-off or parking area. Buckle up! Park rangers enforce California's Motor Vehicle Code on park roads.

## For All Seasons

- Don't approach *moving* water.
- Stay on established trails – do not take shortcuts, go over fences, or approach water. *Most of Yosemite's non-traffic related serious injuries occur off trail.*

- Carry plenty of food and water; stay hydrated and snack often.
- "10 hiking essentials" – including a flashlight or headlamp, sunglasses, sunscreen, navigation, and a signaling method (mirror and whistle).
- Let someone know – always leave your travel and hiking plan, including intended route, destination, and time of return, with a trusted person. If no one knows you are missing, no one is going to be looking for you.
- And remember this truism: **you** are responsible for **your** safety.

## Hantavirus Information

Mice are an important part of the ecosystem, but can carry diseases harmful to humans. Hantavirus Pulmonary Syndrome (HPS) is a rare but serious disease spread to humans via the droppings, urine, or saliva of infected rodents. Not all rodents are infected with hantavirus, but infected rodents have been found throughout the US. You may come into close proximity to rodents during your visit, so take steps to protect yourself from HPS. HPS risk is greater inside enclosures where deer mice are present. If staying in guest lodging, tell housekeeping staff if you see evidence of mice in your room. Do not clean the area yourself. Keep doors to guest lodging shut and keep food in sealed containers. If you are camping and backpacking, do not pitch tents near rodent burrows or droppings. HPS often begins with flu-like symptoms such as aches, fever, and chills, one to seven weeks after exposure, progressing to cough and difficulty in breathing. Seek medical attention immediately if you experience

these symptoms and mention any potential rodent exposures. For more information on hantavirus visit: [www.nps.gov/yose/planyourvisit/yoursafety.htm](http://www.nps.gov/yose/planyourvisit/yoursafety.htm).

## Plague

Plague is an infectious bacterial disease that is carried by squirrels, chipmunks and other wild rodents and their fleas. When an infected rodent becomes sick and dies, its fleas can carry the infection to other warm-blooded animals including humans.

Never feed wildlife, avoid dropping food scraps when eating outside, and pitching a tent near or disturbing rodent burrows. Wear insect repellent with DEET, and tell a park ranger if you see a dead animal.

Early symptoms of plague may include high fever, chills, nausea, weakness, and painful swelling at the site of an insect bite or lymph node. If you develop these symptoms within 6 days of visiting an area at risk for plague in the park, see your doctor and inform them you may have been exposed. Plague is treatable with antibiotics if given in time.

## Avoid Contact with Wildlife

Wild animals in Yosemite can transmit diseases, including plague, rabies, and hantavirus. Keeping your distance and your food from wildlife not only protects them, it also protects you. If you encounter a mammal, particularly a raccoon, skunk, fox, coyote, or bat, that is behaving erratically, don't touch it. Report the sick animal to a park employee. Storing your food properly will reduce your exposure to rodents and their fleas, which may carry plague.

# ...and Yosemite's Wild Places

## Protecting park resources

### Protecting Yourself and the Park

Prepare yourself for a wild experience. Yosemite is a place where natural forces—such as rockfall, fire, and flood—are constantly at work. Here, wildlife freely roam. This is a place where wilderness prevails. The National Park Service recognizes the importance of Yosemite's Wilderness and natural processes and is bound by its mission to protect them for the benefit and enjoyment of future generations. While you are enjoying your visit, be attentive to the special permit requirements and regulations in place to protect park resources and those designed for your safety.

#### Wilderness Permit Details

Wilderness permits are required for all overnight trips into the Yosemite Wilderness. For summer trips, reservations are taken from 24 weeks to two days in advance of the start of your trip. A processing fee of \$5 per permit plus \$5 per person is charged to each confirmed reservation. Go to [www.nps.gov/yose/planyourvisit/wildpermits.htm](http://www.nps.gov/yose/planyourvisit/wildpermits.htm) to check trailhead availability and for more information on how to make a reservation. Reservations can be made online, by phone or mail. To make a reservation by phone, call (209) 372-0740, Mon-Fri from 8am to 5pm and Saturday from 9am to 4pm. For more information, visit [www.nps.gov/yose/planyourvisit/backpacking.htm](http://www.nps.gov/yose/planyourvisit/backpacking.htm), the Leave No Trace website at [www.lnt.org](http://www.lnt.org), or the Friends of Yosemite Search and Rescue website at [www.friendsofyosar.org](http://www.friendsofyosar.org)

#### Permit Required to Hike Half Dome

Permits to hike to the top of Half Dome are required seven days a week through October 15, conditions permitting. A daily total of 225 pre-season lottery permits have already been issued for 2019. In addition, approximately 50 permits will be released by daily lottery throughout the season based on estimated under-use and cancellation rates (exact number may change throughout the summer). Applications for daily lotteries will be accepted 2 days prior to the desired hiking date between midnight and 1 pm. To apply, visit [Recreation.gov](http://Recreation.gov) or call (877) 444-6777. A non-refundable application fee applies to all submissions and a use fee applies to winning applicants. Finally, a daily quota of 75 Half Dome permits will be available to overnight users with an appropriate wilderness permit (use fee applies). These permits may be acquired through early reservations (50 per day) or day before walk-up (25 per day). Rock climbers who reach the top of Half Dome without entering the subdome area may descend on the Half Dome Trail without a permit. More

information is available at <http://www.nps.gov/yose/planyourvisit/hdpermits.htm>. For backpackers more information is available at <http://www.nps.gov/yose/planyourvisit/hdwildpermits.htm>.

#### Rafting

Conditions permitting, rafting on the Merced River in Yosemite Valley (Clark's Bridge to Sentinel Beach) and the South Fork of the Merced River in Wawona is open from 10am to 6pm daily to non-motorized vessels or flotation devices.

- The Merced River in Yosemite Valley is closed to all flotation devices when the river gauge at Sentinel Bridge reads 6.5 feet or higher. Ask at a visitor center for conditions and obey all signs.
- You must have a U.S. Coast Guard-approved personal flotation device.
- Fallen trees and natural debris in the river create important habitat for wildlife. Be alert—they can create hazards for rafters.

#### Fishing

Fishing in Yosemite is regulated by state law. A valid California sport-fishing license is required for persons age 16 years and older. When fishing, the license must be plainly visible, attached above the waistline. Fishing from bridges in the park is not allowed. In addition, Yosemite has special fishing regulations for the Tuolumne and Merced Rivers to protect native Rainbow trout:

**Merced River** - From Happy Isles footbridge to the western boundary of the Park:

- Open to fishing from the last Saturday in April to November 15
- Artificial lures only (no bait of any kind) with a single barbless hook may be used
- Daily bag limit - zero (0) rainbow trout; five (5) brown trout per day
- Possession bag limit - zero (0) rainbow trout; ten (10) brown trout in possession

**Tuolumne River** - From O'Shaughnessy Dam downstream to Early Intake Diversion Dam  
*From last Saturday in April to November 15*

- Maximum size limit of 12 total inches
- Artificial lures only (no bait of any kind) with a single barbless hook may be used
- Daily bag limit - two (2) trout per day
- Possession bag limit - two (2) trout

*From November 16 through the Friday preceding the last Saturday in April*

- Artificial lures only (no bait of any kind) with a single barbless hook may be used
- Daily bag limit - zero (0) trout per day
- Possession bag limit - zero (0) trout
- The use of live or dead minnows, bait fish or amphibians, non-preserved fish eggs or roe is prohibited.

#### Pets

Daytime temperatures can reach above 100 ° Fahrenheit in the summer. Keep your pet cool and well-hydrated. In Yosemite, pet owners have a few rules to follow:

- Pets are only allowed in developed areas and on paved roads and paved bike paths. Pets are not allowed anywhere in the Mariposa or Merced sequoia groves, on trails, in wilderness areas, or where signs are posted prohibiting them.
- Pets must be on a leash (6 feet or less) or otherwise physically restrained.
- Please deposit pet feces in trash receptacles.
- Pets are not allowed in lodging facilities, Camp 4, or other buildings in the park.
- Pets may not be left unattended.

#### Bicycling

Each season, plants are crushed from bicycle travel in meadows, campgrounds, and picnic areas. Please respect park resources and keep bicycles on paved roads and paved bicycle trails. Bikes are not allowed to travel off paved trails. Mountain biking opportunities are available in designated areas outside of Yosemite.

#### Backwoods Bathroom Etiquette

Help us keep our water clean! Human waste must be buried at least 6 inches deep, and at least 100 feet away from any source of water. Toilet paper must be packed out.

### YOSEMITE GUARDIANS

Visitors to Yosemite National Park are the park's most important guardians. With over 5 million people watching over its special plants, animals, historic, and archaeological sites, imagine how well-protected these park resources could be!

During your visit to Yosemite be aware that there are people who either unknowingly or intentionally harm park resources. Please contact a park official if you see any of the following illegal acts:

- Feeding or approaching wildlife
- Collecting plants
- Hunting animals
- Collecting reptiles and butterflies
- Picking up archeological items, such as arrowheads
- Using metal detectors
- Driving vehicles into meadows
- Biking off of paved roads
- Camping outside of designated campgrounds
- Possession of weapons inside federal facilities
- Possessing or using marijuana, including medical marijuana

If you see activities that could harm people or park resources, jot down any descriptions or a vehicle license plate number and call the park dispatch office at (209) 379-1992.

#### DRONES

Launching, landing, or operating Unmanned Aircraft Systems (UAS) is prohibited. Use of UAS can harm park resources and/or interfere with park operations in the following ways:

- May disturb wildlife and/or hinder nesting and breeding of California's endangered peregrine falcons
- May disrupt visitor's experiences by obstructing the natural soundscape and landscape.
- May compromise the safety of others.
- May disturb fire or search and rescue operations. Often times, helicopters are necessary to carryout or to assist in putting out fires in Yosemite, a UAS could put these operations at risk.

#### FOR MORE INFORMATION

To find out more about Yosemite National Park regulations visit [www.nps.gov/yose/planyourvisit/yoursafety.htm](http://www.nps.gov/yose/planyourvisit/yoursafety.htm) and find a copy of the Superintendent's Compendium. This document is a compilation of designations, closures, permit requirements, and other restrictions made by the superintendent, in addition to what is contained in Title 36 of the Code of Federal Regulations (Chapter 1, Parts 1 through 7 and 34), and other applicable federal statutes and regulations.

# Camping

What you need to know about camping in Yosemite

Camping in Yosemite. Photo by Ray Santos

## An adventurous overnight experience

Yosemite National Park contains 13 popular campgrounds. Up to seven are on a reservation system, the rest are first-come, first-served. From April through September, reservations are essential and the first-come, first-served sites often fill by noon during these months.

### Camping Reservations

Reservations are required March through November for campsites in Yosemite Valley's car campgrounds, and summer through fall for Hodgdon Meadow, Crane Flat, Wawona, and half of Tuolumne Meadows. All other campgrounds (except group and stock campgrounds) are first-come, first-served. Campground reservations are available up to five months in advance, on the 15th of each month at 7am Pacific time. Log onto the website or call as soon as possible as some campgrounds fill within a few minutes of the opening period.

ARRIVAL DATE	FIRST DAY TO MAKE RESERVATIONS (7 AM PT)
Dec. 15 – Jan. 14	Aug. 15
Jan. 15 – Feb. 14	Sept. 15
Feb. 15 – Mar. 14	Oct. 15
Mar. 15 – Apr. 14	Nov. 15
Apr. 15 – May 14	Dec. 15
May 15 – Jun. 14	Jan. 15
Jun. 15 – Jul. 14	Feb. 15
Jul. 15 – Aug. 14	Mar. 15
Aug. 15 – Sep. 14	Apr. 15
Sep. 15 – Oct. 14	May 15
Oct. 15 – Nov. 14	Jun. 15
Nov. 15 – Dec. 14	Jul. 15

For campground reservations, visit [www.recreation.gov](http://www.recreation.gov) or call (877) 444-6777 or TDD (877) 833-6777 from 7am to 9pm, Pacific time, March through October, or from 7am to 7pm, November through February. Call (518) 885-3639 if you're dialing from outside the U.S. and Canada.

Campground offices in the park are located in the visitor parking area at Curry Village (shuttle stop #14), the Tuolumne Meadows Campground entrance, in Wawona off Chilnualna Falls Road, and at the Big Oak Flat Information Station.

For current campground status, call (209) 372-0266.

### Yosemite Valley

There is a 30-day camping limit within Yosemite National Park in a calendar year; From May 1 to September 15, the camping limit is 14 days, only seven of those days can be in Yosemite Valley or Wawona.

### Camping Outside Yosemite

For information about U.S. Forest Service seasonal campgrounds near Yosemite, contact Groveland Ranger Station at (209) 962-7825; Mariposa Ranger Station at (209) 966-3638; Mono Lake Ranger Station at (760) 647-3044; or Oakhurst Ranger Station at (559) 683-4636. For private campgrounds outside Yosemite,

call the respective chamber of commerce or visitor bureau listed on page 2.

### Campfires/Fireworks

You must practice fire safety while visiting. Before camping know and understand current fire rules and restrictions. Make sure all campfires are out cold before leaving by using the "drown, stir, and feel" method and remember fireworks are strictly prohibited.

### NEW Camp 4 Daily Lottery

A Camp 4 pilot daily lottery is in effect until September 15. You must enter the lottery for a chance to obtain a site and may no longer stand in line at Camp 4 for a site. The lottery opens at [www.recreation.gov](http://www.recreation.gov) at 12:01am pacific time the day before your intended arrival date and closes at 4pm pacific time. A \$10, non-refundable application fee is required. The lottery automatically matches applicants with the number of open camping spaces and charges for the number of nights indicated. All applicants will be notified by email as to whether or not they were successful. Each person (not just the primary applicant) must check in at the campground using a valid photo ID. Six people will be assigned to each campsite; people in one group may be assigned to different campsites. You can register for up to seven nights. Camp 4 is open all year and campsites are not wheelchair accessible.

## GENERAL CAMPING INFORMATION

To check same-day camping availability, call (209) 372-0266

### Services

- Sites include picnic tables, firepits with grills, and a food locker (33" d x 45" w x 18" h). See page 5 for food storage regulations.
- Toilets available in campgrounds; however, Tamarack Flat, Yosemite Creek, and Porcupine Flat have non-flushing vault toilets only and no potable water.
- Shower and laundry facilities are available all year in Yosemite Valley.
- RVs over 24 feet in length are not recommended for Tamarack Flat, Yosemite Creek, and Porcupine Flat campgrounds. RVs are not permitted in walk-in and group campsites. There are no hookups in Yosemite campgrounds, but there are sanitary dump stations in Yosemite Valley (all year), and summer-only in Wawona and Tuolumne Meadows.

### Regulations

- Proper food storage is required 24 hours a day.
- A maximum of six people (including children) and two vehicles are allowed per campsite.
- Quiet hours are from 10pm to 6am.
- Where permitted, pets must be on a leash, not left unattended.

### Campfires

- In Yosemite Valley between May 1 and September 30, campfires are permitted between 5pm and 10pm. At other times of the year and in out-of-Valley campgrounds, fires are permitted at any time, as long as they are attended.
- Firewood collection (including pine cones and pine needles) is not permitted in Yosemite Valley; you may purchase firewood at stores near the campgrounds.

### Group Campgrounds

Tuolumne Meadows, Hodgdon Meadow, Wawona, and Bridalveil Creek have group campgrounds. Thirteen to 30 people are allowed in each group campsite. Tent camping only. Pets, RVs, and generators are not permitted.

## FEATURED HIKE

### Mirror Lake Loop

**Distance:** 5 miles / 8 kilometers

**Elevation Gain:** 200 feet

**Difficulty:** Moderate

**Time:** 2 to 3 hours

**Trailhead:** Mirror Lake (shuttle stop # 17)

*\*Pets are not allowed on this loop trail*

### Trail Description:

This trail begins at shuttle stop #17. The first mile of this trail is a paved service road that leads directly to Mirror Lake. You may access the loop trail from the end of the paved path. The loop follows Tenaya Creek beyond the lake, and crosses two bridges after the Snow Creek Trail junction before returning past Mirror Lake on the south side of Tenaya Canyon.

Mirror Lake is often referred to as Mirror Meadow in late summer due to the lack of water and the influx of grasses and sandy areas, however, this hike allows for exhilarating views of Half Dome and Mt. Watkins. Exhibits along the trail tell the story of Mirror Lake's lake-to-meadow succession, and also highlight some of the cultural history of the area.

### Know Before You Go:

- Swimming is not permitted in the Hetch Hetchy reservoir or in Emerald Pool above Vernal Fall.
- Stay away from swiftly-moving water. Keep children from wandering on or near these hazards. Choose swimming areas carefully and swim only during low water conditions.
- Always supervise children closely.
- Avoid areas of whitewater, where streams flow over rocky obstructions.
- Never swim or wade upstream from a waterfall, even if the water appears shallow and calm. Nearly every year, unsuspecting visitors are swept over waterfalls to their deaths when swimming in these areas.

# Moving A Stone Building:

## A Centennial Year for Yosemite Conservation Heritage Center

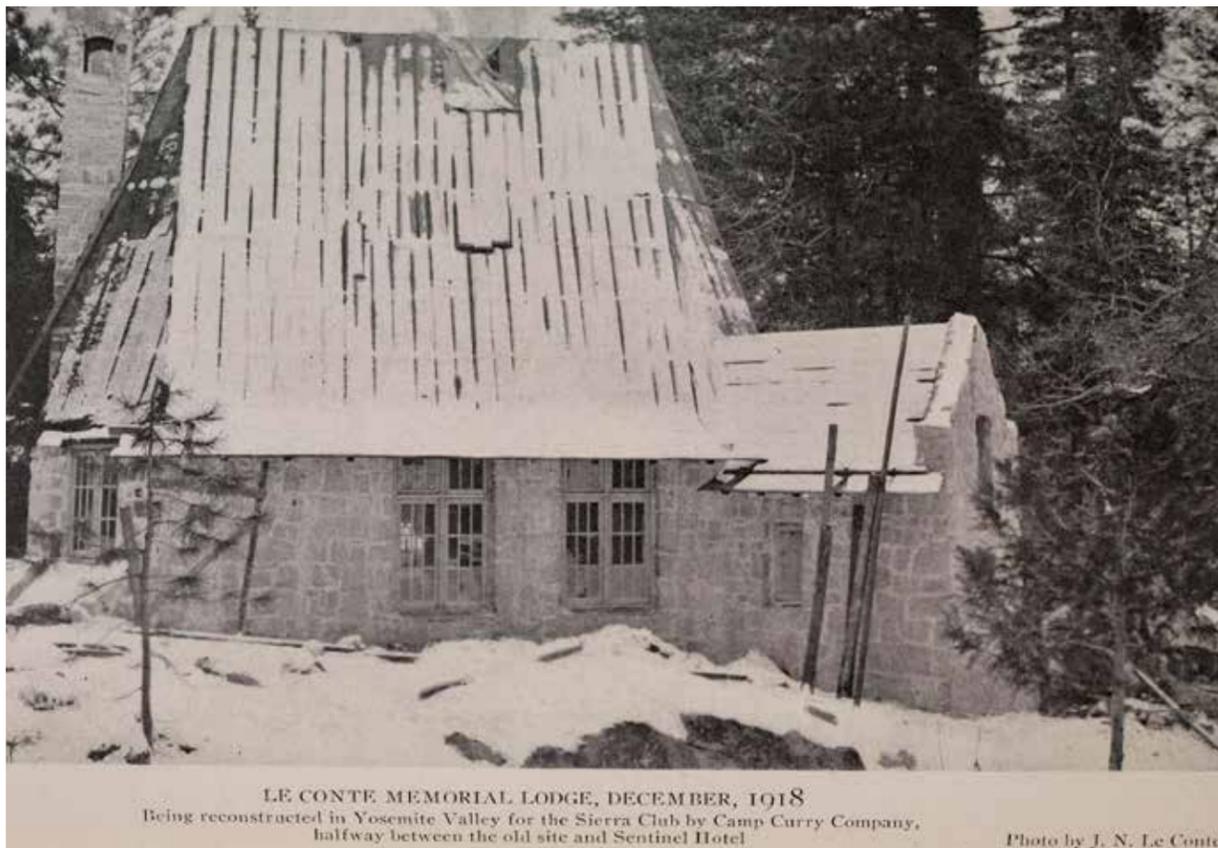

Photo by Jeremy Evans

This year is cause for a centennial celebration. In June 1919 the Yosemite Conservation Heritage Center (formerly Le Conte Memorial Lodge) reopened to visitors, having been dismantled and moved in 1918 from Curry Village to its current location across from Housekeeping Camp, at Bus Stop 12. Let's explore the history behind the epic move of the building named for the famous geologist Dr. Joseph Le Conte.

At the request of the Sierra Club, Le Conte Memorial Lodge was designed by the San Francisco-based architectural firm of Bernard Maybeck, under the direction of John White. Set on a gentle slope to the southwest of the present-day amphitheater in what was in 1904 called Curry Village, the cost of construction was \$5,000. The Lodge was fabricated with Merced River rock. The steep-gabled roof and exposed coastal redwood scissor-trusses and hammer beams exemplify a Maybeck structure and capture the verticality of Yosemite Valley. A dedication ceremony was held on July 3, 1904.

In 1898, prior to the construction of Le Conte Memorial Lodge the Sierra Club, at the invitation of the California State Board of Yosemite Commissioners, established a presence in Yosemite Valley. The Club rented two rooms in a small cottage on the south side of the Valley and set up a "Reading Room." Supervised by a custodian, the facility included a library, photographs, an herbarium (a collection of dried native plants), and maps.

Dr. Joseph Le Conte was a member of the faculty at the University of California and a founding member of the Sierra Club. During Le Conte's first trip to Yosemite in 1870, he befriended John Muir and recorded his trip in *Ramblings through the High Sierras*. Curry Village was a hub of activity in the summer of 1901 when Sierra Club members, including Le Conte, were about to embark on their first High Sierra hike to encamp in Tuolumne Meadows. Le Conte suffered a heart attack and died in his Curry tent on the morning of July 6. Knowing he would have insisted the group continue on to Tuolumne, the Sierra Club would soon determine that a fitting memorial would be a permanent information center, replacing the rented rooms at Sinning Cottage.

With the expansion of Curry Village in 1918, the Camp Curry Company offered to move and rebuild the Lodge, at a cost of \$3,500, without expense to the Sierra Club. Stonemasons were hired to reconstruct the walls. The scissor trusses and hammer beams were disassembled and trucked to the new site, as were the windows, door, and the bronze relief of Dr. Le Conte that was set in place over the mantle. In design the building is the same shape and size as the original structure with the addition, in 1918, of a window located in each wing facing to the northeast and northwest corners. Look for the window on the northeast corner with a half-moon! In addition, two roof vents that opened from within the building with long ropes were removed and a concrete

floor was installed to replace the wooden floor. The significant modification was structural. Whereas the original facade was constructed of Merced River rock, the walls of the new edifice incorporate some of the original rock (look for them when you visit) with rectangular blocks of quarried granite from near Raymond, California at the Knowles Quarry, located north of Coarsegold off Highway 41. The walls according to Dr. Le Conte's son, Joseph Nisbet Le Conte, were "substantially built," and the new site was more attractive, providing a magnificent view of Yosemite Falls and Half Dome.

On May 15, 1919, custodian Katherine Stout found the Lodge incomplete. When materials arrived and weather permitted, the building was again under way. Le Conte Memorial Lodge opened on June 5, amid the noise of nail-driving. Throughout the season the building was crowded with visitors with nearly 2,800 names appearing in the register at the time of closing. According to Stout, "a fine innovation was the series of lectures on subjects pertaining to Yosemite Valley, given by the University of California Extension." With the growth of Yosemite Valley as a destination for nature seekers, Stout realized there would be an increasing need for the Le Conte Memorial Lodge library and education center.

The most famous custodian was a young Ansel Adams, who joined the Sierra Club, and arrived at the Lodge in 1920. During his first season the number of visitors was

nearly 5,000. The library, herbarium, and photographs were in constant use and a series of lectures were held. The following year a telephone was installed. Adams continued his tenure as custodian until the end of the season in 1923.

Designated a National Historic Landmark in 1987, the Yosemite Conservation Heritage Center (YCHC) is operated by the Sierra Club as a public service to Yosemite National Park visitors, under an agreement with the National Park Service. Through the effort of Sierra Club volunteers and a curator, the YCHC continues the Sierra Club's legacy inspiring generations to enjoy, explore, and protect the natural world.

Open from May 1 through September 30, Wednesday through Sunday, from 10am until 4pm, the Center offers interpretive exhibits, a natural history library, and a children's library and activity corner. Free programs are presented on Friday and Saturday evenings at 8pm.

- Story by Bonnie J. Gisel, Ph.D., Curator

[In 2016 the Sierra Club requested that Yosemite National Park rename the Lodge. Dr. Le Conte, who moved from Georgia to California to teach geology at the University of California, had in the 1880s and early 1890s published theories of racial inferiority, disenfranchisement and segregation, theories not supported by the Sierra's commitment to justice, equity, and inclusiveness for all people.]

# Supporting Your Park

## Enhance the Visitor Experience

It takes a legion of people working together to protect this special park for you and future generations of visitors. You too can extend your connection to Yosemite well after you return home by getting involved with the organizations that partner to preserve Yosemite.

This publication was made possible by the Yosemite Park Partners listed on this page. Read more below or visit [www.yosemitepartners.org](http://www.yosemitepartners.org) to learn more about helping these organizations provide for the future of Yosemite National Park.

### The Ansel Adams Gallery

The Ansel Adams Gallery, owned by the family of photographer Ansel Adams since 1902, is a center that celebrates the arts and the natural grandeur of our environment. ## Yosemite Volunteers: Serving Yosemite

Over 10,734 volunteers donated more than 139,520 hours of service to Yosemite last year, restoring native habitat, working in visitor centers, serving as camp hosts, studying wildlife, cleaning up litter and more. Would you like to serve? We have group and individual volunteer opportunities, both short term and long term. Learn more at: [www.nps.gov/yose/getinvolved/volunteer.htm](http://www.nps.gov/yose/getinvolved/volunteer.htm) or call the volunteer office at (209) 379-1850.

## Yosemite Zero Landfill Initiative

Help make Yosemite the first Zero Landfill park in the country. Through the Zero Landfill Initiative, Yosemite is reducing the amount of trash sent to the landfill every year. In partnership with Yosemite Hospitality, we are making it easier to participate by adding more recycling containers with better labels.

Here are 3 things you can do to help:

1. Toss excess packaging before leaving home by repacking food in reuseable containers.
2. Use a refillable water bottle/travel mug. Camping? Use refillable propane canisters.
3. Put trash/recycling in correct bins.

## Yosemite Name Changes

The names of the following facilities in Yosemite have changed:

- Curry Village (formerly Half Dome Village)
- The Ahwahnee (formerly The Majestic Yosemite Hotel)
- Wawona Hotel (formerly Big Trees Lodge)
- Badger Pass Ski Area (formerly Yosemite Ski & Snowboard Area)
- Yosemite Conservation Heritage Center (formerly LeConte Memorial Lodge)

## Lost and Found

To inquire about items lost or found at one of Yosemite's restaurants, hotels, lounges, shuttle buses or tour services, call (209)372-4357. For items lost or found in other areas of the park, call (209)379-1001 or email [yose\\_lostandfound@nps.gov](mailto:yose_lostandfound@nps.gov).
